

To find Birdie 61BA. *The nearby village is Pilar de Javaria.*

Either from the Toll Motorway **AP-7 (Junction 890)** or the **A332** (effectively the by-pass of San Juan de los Terreros) take the **A-1205**. At the roundabout beside the village of Pilar de Javaria follow the signs for La **Geoda** de Pulpí. After 800m or so there is another roundabout. Go **3/4rs** of the way round it and then cling to the hillside road (don't detour onto side roads).

Finally you will come to blocks of flats. The **second** one is block 6 and the **second** gate of the block is gate 1... *(Then Basement Flat A on the left)*
